SRV Spring Retreat in Washington: May 23 – May 27, 2019, Wind River Region, WA

My Guru's Teachings 2: Swami Aseshananda's unique look at spiritual life and practice in America

Part one of this series, given in early 2018, covered the observances of this great soul on all that took place in this country around spiritual discovery and its attempted implementation by the Western culture over some 60 years of his presence here. Part 2 continues along in this vein, while drawing in facets of the swami's own realizations as he taught amongst the Westerners who came to Vedanta and recognized it as the religion and philosophy of the Age.

"Without renunciation you cannot find true joy. Without renunciation you cannot attain Jivanmukti – freedom in this life, in this very body. And renunciation is gained through Jnana (Wisdom) Yoga"
